

A friendly workshop where men can gather, work together, share skills and knowledge or just have a chat over coffee.

What could be a cosier on a chilly December day than an al-fresco BBQ lunch? Gathering around a blazing fire in the height of Summer has never made a lot of sense to us so, a few years ago, we inaugurated our annual Christmas BBQ. With indoor gatherings still needing a bit of caution, this year provides the perfect opportunity to wrap up warm and enjoy some good bangers, good company and Christmas cheer in the fresh air. Make a date for Tuesday 21st December from 12:30 - the usual session fee will cover costs but let us know if you plan to come so that we can cater accordingly. Everyone is welcome – regular Sheddors, Shed friends and Shed supporters. You probably won't get a better BBQ opportunity this year!

We were delighted to welcome more new members in November including Don Searson and Dave Mallard from MKSailability. Dave and Don will be using Shed facilities to renovate their recently acquired boat 'Pippa'. MKSailability is based at Caldecotte Lake in MK and exists to

enable sailors of all abilities to get out onto the water – check out www.MKSailability.com. All being well, Pippa will be ready for the action by Easter 2022.

Less bright news is that we have had to delay our training sessions until the New Year – details to follow. You'll doubtless have been aware that Covid cases in this area started increasing from around mid-October so it seemed prudent to put things on hold until the situation has calmed down a bit.

Our last session for 2021 will be Thursday 23rd December and we'll be back for the New Year on Tuesday 4th January.

We wish everyone a very Happy Christmas and a Healthy, Happy New Year.
